

Preliminary Analysis: Votes Cast by Signed Affidavit in Lieu of Photo ID

The ACLU of Arkansas sent public records requests to every county on November 4, 2020 to determine the number of ballots that were provisional, the reason the ballots were provisional, and whether those provisional ballots counted. To date, responsive data has been received from 63 counties. The following table shows the number of voters who were able to vote and have their votes counted by signing a sworn affidavit in lieu of showing a government-issued photo ID.
