

## CONDUCTING A VOTER REGISTRATION DRIVE

This guide provides general information about conducting a voter registration drive in Arkansas.

### WHAT IF SOMEONE DOESN'T KNOW IF THEY ARE REGISTERED TO VOTE OR WANTS TO CHECK THEIR REGISTRATION STATUS?

- Go to <https://www.voterview.ar-nova.org/> and select “Registration Information.” Then have the person type in their name and date of birth.
- The registration link will display their political party association (if any), polling place location, and races in which they are eligible to vote.

### ON THE APPLICATION:

- Print with Black or Blue ink
- Make sure handwriting is legible
- Ensure all information is complete
- Check for signature—unsigned applications cannot be processed.
- Include a map for rural or homeless residents.

### WHAT ABOUT HOMELESS VOTERS?

- You don't need a permanent shelter to vote.
- When registering voters who are currently experiencing homelessness, a map of the intersection nearest to the area they live should be drawn in Section C of the voter registration form.

If your voter registration application form is submitted by mail and you are registering for the first time, and you do not have a valid Arkansas driver's license number or social security number, in order to avoid the additional identification requirements upon voting for the first time you must submit with the mailed registration form: (a) a current and valid photo identification; or (b) a copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows your name and address.</p>

## HOW DO I REGISTER A NEW VOTER?

1. Ask the person if he/she would like to register to vote.
2. Ask the person if he/she has ever voted or registered.
3. Instruct applicant to “check all that apply” at the top left of the form.
  - a. The check marks are to help you ensure all needed sections are filled out.
  - b. If this is a name or address change, you must fill out the top AND bottom of the application.
4. Once the form is filled out, make sure all required sections are complete.
  - a. **MUST** always complete: Sections 1, 2, 4, 8, 9, 10, and 11
  - b. **IF** the applicant is already registered to vote, but is changing name or address: Sections A, Date of Birth, and B must be complete
  - c. Check the boxes in Section 10 to make sure the applicant responded “Yes” to A and B; and “No” to questions C and D. If marked any other way, the applicant can’t register.
  - d. Check for a signature and date in Section 11.
5. Thank individuals for applying and advise them that they are not fully registered until the county clerk processes their applications. Let them know that you are mailing or delivering their applications for them to the clerk (unless they want to mail their own.) Applicants should call the county clerk’s office if they have not received confirmation in two weeks.
6. Give a friendly reminder to vote on Election Day.

## TURNING IN VOTER REGISTRATION FORMS

- Take the Completed Forms to the County Clerk’s office. If it is close to the deadline for turning in registration forms then be sure to get a stamp on the forms so they will be processed before the deadline.

## IDEAS FOR VOTER REGISTRATION:

- Make it part of your usual process. Add to any forms: “If you are not registered where you now live, would you like to register today?”
- Put up signs announcing that people can “Register to Vote Here.”
- Inform people that they can vote even without a physical address.
- Have outreach workers do voter registration.
- Get volunteers and clients to help.
- Have voting rights materials on hand to give out.

## WHAT ABOUT CONVICTED FELONS?

- Under Arkansas law, people with a felony conviction may restore their right to vote by proving proof that:
  - They have served all time and supervision (probation or parole); and
  - Have paid all court costs, fees, fines, or restitution.
- Once proof that these conditions have been met is obtained (usually from ADC, DCC, and/or the court clerk), submit the proof to the county clerk where the voter lives.
- When providing proof, the voter will also need to complete a voter registration application and submit it to the county clerk.

### NO ID NEEDED AT REGISTRATION:

On the registration form, applicants must:

1. List an Arkansas driver's license or ID number; OR
2. List the last four digits of their Social Security number; OR
3. Mark the box that indicates neither of those is available.

### ID WHEN VOTING:

Voters can do any of the following to satisfy Arkansas' voter ID law:

1. A voter without Arkansas or U.S. government issued photo ID can obtain and use a free voter ID card from their county clerk or the Secretary of State.
2. Voters can use a photo ID issued by the U.S. or Arkansas state government if it is expired no more than four years. Valid IDs include: driver's license, photo ID card, concealed carry handgun permit, US Passport, a student ID or employee badge from an accredited state institution, military ID, voter verification card, or public assistance ID that shows a photo of the cardholder.
3. Voters at the polls who do not have ID can sign an affidavit swearing they are the registered voter cast a provisional ballot. The affidavit will satisfy the voter ID law and the ballot is to be counted unless there is some non-ID reason not to count it.
4. Absentee voters can include a copy of photo ID meeting the requirements of #2 above **or** sign the voter statement included with their ballot swearing they are the registered voter and this will satisfy the voter ID law. Anyone who will be unavoidably absent from the polls on election day can vote absentee.

NOTE: The address listed on your ID should **NOT** be a reason to deny your right to vote. The address associated with your voter registration does **NOT** have to match the address on your ID. You will be required to state your address when you vote so remember or check your mailing address and home or physical address/location used for registration.
