VOTING IN ARKANSAS

KNOW YOUR RIGHTS

- » Polls are open Election Day from 7:30 a.m. to 7:30 p.m. Early voting hours are 8 a.m. to 6 p.m. Monday through Friday and 10 a.m. to 4 p.m. Saturday. You have the right to vote if you are in line when polls close.
- » You have the right to an accessible polling place, an accessible voting machine, and appropriate accommodations.
- » You may ask for help from poll workers or bring one person of your choice to assist you.

Can I vote absentee by mail?

All voters in Arkansas may vote by mail using an absentee ballot if the voter will be unavoidably absent from the polls on Election Day. **This includes voters who have health concerns for themselves or others due to COVID-19.** To receive an absentee ballot, request one from your county clerk in the county where you are registered to vote. You may also download an absentee ballot application at:

<https://www.sos.arkansas.gov/elections/voter-information/absentee-voting>

What if I'm not on the voter list?

- » Confirm with the poll worker that you're at the right polling place. They will ask for your address and date of birth to verify with the county clerk that you're a registered voter in that precinct.
- » If you're at the right polling place but the worker cannot confirm your information, you can cast a provisional ballot.

What if my name differs from the precinct voter registration list?

You must complete a voter registration form to update your county voter registration records, but you should be allowed to vote.

What if someone challenges my right to vote?

Assert your right! If you cannot persuade the poll workers to accept your vote and you are voting early, you can leave and seek assistance or cast a provisional ballot.

Is ID required to vote? YES

Arkansas poll workers will be required to request that voters present a photo ID card. This ID must show the voter's name and photo, and must be issued by either the state or federal government. A free voter verification card is available through

the Secretary of State's office or your county clerk for any voter who does not have another ID valid for voting. The ID card must not be expired for more than four (4) years on election day. IDs that meet the requirements include a driver's license, a photo identification card, a concealed carry handgun permit, a U.S. Passport, a student ID or employee badge from an accredited postsecondary institution, a military ID, a voter verification card, or a public assistance ID that shows a photo of the cardholder.

NOTE: Absentee voters can sign the voter's statement swearing you are the voter and the ballot will satisfy the ID law.
